

If you spot anything wrong in the park, such as graffiti, anti social behaviour or motor bikes etc., please report it as soon as possible to Spout Farm House. If it is very serious then please report it direct to the Police on 0300 - 333- 3000.

The Park is generally a very safe place to be and we hope that you will enjoy your visit. Please take the time to explore some of it's 400 acres with the help of the Park Guide book (£1.50) or the free map available from Spout Farm House.

VACANCIES

SECRETARY

We are currently looking for a volunteer secretary to take notes at our meetings and produce a 'Word' document, then send out via email and Royal Mail to all our members. Duties would also include maintaining a file of important documents, updating membership records annually and occasional letter writing. Meetings are held once a month on the 2nd Wednesday at the Civic Offices, Telford & Wrekin Council. Computer and email essential.

PUBLICITY & POLICY MANAGER

We are also seeking a volunteer to be responsible for ensuring that the Friends get appropriate marketing and publicity via our newsletter, newspapers and radio.

The job will also entail maintaining the Friends official policies on various subjects with the approval of a general meeting. Basic computing skills required

APPLICATION

Please apply via Spout Farm House or our web site contact page.

**The newsletter of the
Friends of Telford Town Park
Issue 1 - Summer 2010**

Great news for the Friends and all visitors to the park. The Friends were awarded nearly £3,000 to replace the old broken bridge that enabled access to the Crannog. The money came from "Awards for All", part of the Big Lottery and the Friends wasted no time in getting Shropshire Council to install the new bridge for them.

The rest of the site will now be restored with a pathway through to the far end, where a living willow hide will be constructed later in the year to observe the wildlife on Grange Pool Nature Reserve. Initially the path will be laid with bark chippings but the Friends would like to eventually make the entire path wheelchair friendly. We hope that schools and various other groups, along with all park visitors, will use and enjoy this tranquil spot. The lake is situated off Stirchley Road and there is a large free car park opposite the old Grange. Please note that fishing is not allowed on this lake.

NEW!

After much hard work and research and help from the Big Lottery, the Friends have now launched their Guide to Telford Town Park and Nature Reserve.

*It is available from Spout Farm House and whenever the Friends have a display for the introductory price of just **£1.50p**.*

All profits will go to the Friends to assist with their ongoing work in the Park.

Did you know that the old platform of Dawley and Stirchley LNWR station still exists?

If you find the Silkin Way and walk south you will come across it on your right just before going under the Stirchley Lane bridge. There are plans to partially restore this site.
