WELCOME TO JOLLY GREEN DAY

Welcome to Jolly Green Day. This event is to celebrate the 10th Anniversary of the Friends of Telford Town Park and also the first full year of operation of Telford Green Spaces Partnership.

***The Friends** are a voluntary group who exist to promote, conserve and protect the 450 acres of beautiful lakes, park, wood and heathland that is Telford Town Park and nature reserve.*

***Telford Green Spaces Partnership** is a forum of 19 voluntary groups, each of whom help maintain and protect a public green space in the borough of Telford.*

We hope that you have an enjoyable day with us and that you find some new interest in the outdoors that you will be able to take away with you and enjoy in the future.

*Have a great day and thank you for supporting this unique event,
Chris Pettman, Chairman
Friends of Telford Town Park, August 2013*

Jolly Green Day is delighted to be registered as a Community Games Event. Community Games offer something for everyone. You don't need to be sporty to take part - they are just as much about celebrating cultural achievement as sporting endeavour. The aim of the programme is to bring people together, supporting them to organise a Games for their community, which might be their street, estate or local interest group - essentially the Games will be run by communities for their communities. They provide a wonderful opportunity for people from all backgrounds right across the country to create their own Olympic or Paralympic moment and carry on the legacy and spirit of London 2012.
